Certification EN 1090

Dear Mr. Thygesen

As an attachment, we will send you the welding certificate EN 1090-2, which was issued on the basis of the successful monitoring audit. We ask you to observe the "General Provisions" on the back of the certificate and indicate that you are required to inform us when changing the requirements for the issuance of this certificate.

The certificate according to EN 1090-1 will be sent directly from DVS Cert after completion of all formalities.

If there are any problems or questions in the meantime please feel free to contact Keld Dupont.

With kind regards
